## ***PRESS PACK SHEET 1 – Quick Company Facts***

### ▪ **Who are Quick Valve UK Ltd?**

Quick Valve UK Ltd are a mail order company based in the UK who specialise in the sale and distribution of the Fumoto engine oil drain valve; they are the sole authorized distributor of the product to the after-sales automotive and truck markets across Europe.

### ▪ **Which market is the product aimed at?**

The drain valve product has universal appeal for anyone who services vehicle engines as part of the after-sales automotive and truck markets across Europe: cars, motorbikes, vans, trucks, tractors and buses. This also includes (but not exclusively) DIY mechanics, motor sport participants and fleet owners; basically anyone who will see a tangible time or cost benefit from experiencing a cleaner, quicker and easier engine oil change.

### ▪ **How is the company connected to Motor Sport?**

The Directors at Quick Valve UK Ltd share a keen personal interest in Motor Sport and enjoy the ability to mix business with pleasure in this field. They are proud sponsors of Class A2 (Road-going series production cars over 2,000cc) in the 2010 Midland Hill Climb Championship.

### ▪ **How can I contact the Company for more information?**

As a mail order enterprise, the company's sales 'front door' is their website: [www.quickvalve.co.uk](http://www.quickvalve.co.uk). One of the team is always ready to receive your feedback and enquiries which can initially be sent via e-mail to [info@quickvalve.co.uk](mailto:info@quickvalve.co.uk) or by writing to the company's registered office address shown below.
